

November First Fridays

Friday, Nov. 3, 2023 | 5 - 9 p.m. | Downtown Goshen, IN

The nights are getting longer, and we're here for it! A spectacle of lighted floats and parade entries wind their way down Main Street, illuminating the night. Comfort food specials are also on parade this bright night — soups, warm drinks, and other hearty, cold-night foods will be featured at downtown eateries. Member merchants help you prepare for the holidays with items to help you entertain or relax during the year's most festive season.

Light Parade Route

Parade Starts at 6:30 p.m.

The parade will start at the intersection of S. 5th St., and Jefferson St. It will proceed West to Main St., North to Clinton St., East to 5th St., then South to Jefferson St.

When finding your spot to enjoy the parade, please do not block any intersections, or the Police Station exits.
